### A Message from the Premier

The "Gala Night Under the Stars" programs in Regina and Saskatoon are one of the major events of our Jubilee Year in Saskatchewan. They also represent the province-wide launching of the summer activities to celebrate our birthday.

I am most pleased our citizens saw fit to do their utmost in providing top entertainment for the occasion. In these programs, we have an excellent example of the talent of our Saskatchewan people in the performing arts.

On behalf of the people of our province, I extend congratulations to those taking part in the programs, both for their performance and for their interest in, and work on behalf of, our Jubilee celebrations.

### Corporation Thanks

The Gala Night Under the Stars festival was conceived by the Saskatchewan Jubilee and Centennial Corporation's Special Events Sub-Committee. Chairman of this committee is Judge Mary Batten of Saskatoon.

We would like to thank the more than 700 Saskatchewan performers who participated in the seven Talent Search auditions held throughout the province. To the eleven acts which you will see tonight, we extend good luck and good fortune in their quest for the three major awards and their future ambitions.

The Corporation also thanks all of the local citizens committees who were involved in the auditions. A special vote of appreciation to the communications media for their unlimited co-operation in publicizing not only this event, but all of the Saskatchewan Diamond Jubilee programs.
